OUR CORE DRIVERS:

HONESTY:

We are honest with ourselves and in everything we do! We take responsibility for our actions and recognise the impact of these on ourselves and others.

PERSEVERANCE:

We persevere in all that we do to overcome any challenges that we may face! We can take risks and have a 'can do' attitude to develop resilience to keep going even when things are difficult.

SUCCESS:

We aim high to succeed in all that we do! We believe in our abilities and strive to be the best we can be!

CURRICULUM AIMS:

To provide an ambitious curriculum that meets the needs of all pupils through the provision of a supportive and challenging environment.

To ensure our children leave HPS feeling prepared, self-motivated and independent so that they are ready for the next stage of their lives.

WHAT DOES THIS MEAN FOR ART?

Our Art curriculum has been developed to ensure it is an inclusive program that nurtures creativity, self-expression and critical thinking for all of our learners. This involves integrating a variety of artistic disciplines such as painting, sculpture, drawing and textiles while also exposing students to diverse cultural and historical perspectives. Many pupils will need to show perseverance when trying to master the ranges of skills and techniques involved.

HOW DO WE DELIVER THIS?

Art is delivered through a carefully planned inclusive curriculum that places creativity at the heart of learning. Weekly lessons are structured to provide a balance of skill development and opportunities for imaginative expression. Children explore a wide range of media, techniques and styles often inspired by famous artists, different cultures and cross-curricular themes when producing their final pieces.
